

8-20 kVA GUARDIAN® SERIES

GENERAC®

Home Standby Generators

WITH BUILT-IN
MOBILE LINK REMOTE
MONITORING

Choose the #1 selling home standby generator brand

Generac's Guardian Series generators provide the automatic backup power you need to protect your home and family during a power outage. Connected to your existing LP or natural gas fuel supply, it kicks in within seconds of sensing power loss— automatically—and runs for as long as necessary until utility power returns. Choose from Generac's industry leading lineup to power just the essentials or Generac's 20 kVA for whole-house coverage.

Features & Benefits:

GENERAC'S G-FORCE ENGINE

Purpose-built for the rigors of power generation. It also requires fewer scheduled maintenance checkups than some competitor's engines, and provides the reliability you need for the long run-times that emergency backup can require.

TRUEPOWER™ TECHNOLOGY

Delivers best-in-class power quality with less than 5% total harmonic distortion for clean, smooth operation of sensitive electronics and appliances.

QUIET-TEST™ SELF-TEST MODE

Runs at a lower RPM for a five or twelve minute test, is significantly quieter than other brands, and consumes less fuel.

GENERAC'S EVOLUTION™ CONTROLLER

Featuring a dual-line, multilingual LCD display allowing for easy monitoring of history and maintenance logs and manage your generator.

ECONOMICAL POWER

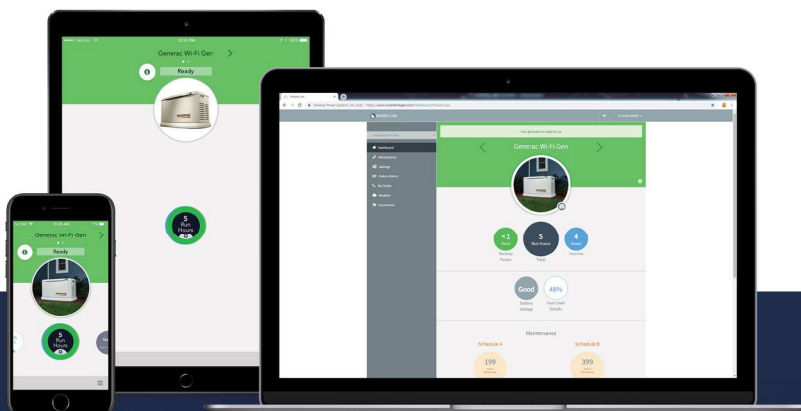

Runs on highly efficient, cleaner-burning* natural gas or LP fuel.

**As compared to other fossil fuels.*

Mobile Link™

FREE with every Guardian Series home standby generator allows you to monitor the status of your generator from anywhere in the world using a smart-phone, tablet, or PC. Easily access information, such as the current operating status and maintenance alerts. With Mobile Link, you are taken care of before the next power outage

Also Featuring:

24/7/365 CUSTOMER SUPPORT TEAM

Standing by all day, every day from our headquarters in Wisconsin to answer any questions you might have.

BUILT IN THE USA

Generac generators and engines are engineered and built in the USA*

**Assembled in the USA using domestic and foreign parts.*

5-YEAR LIMITED WARRANTY

Included with all home standby generators.
