

PRODUCT INFO

DOMETIC 2 COOK 3 PRO DELUXE 2-BURNER GAS STOVE

This stylish, lightweight gas stove is the ultimate table-top cooking partner, with two independent burners. Well equipped for versatile cooking, the appliance comes standard with two pot stands, an additional coffee stand as well as a ceramic GreenGrill coated flat plate and ribbed plate. The set also includes a practical handle for removing the grill plates when hot. Also included are two windshields to be fitted on the sides of the stove to protect the flame. There's also a gas button protection to prevent unintentional opening of the gas supply, which is especially handy with small children around.
