

PRODUCT INFO

DOMETIC FRESHJET RV AIR CONDITIONER SERIES 7

Introducing the new FreshJet RV air conditioner series. Featuring a streamlined design throughout the range, combined with superior cooling performance, optimised airflow, and the quietest operation yet. The Series 7 features the next generation of Dometic's leading inverter technology, delivering the quietest and smoothest operation, perfect for off-grid applications. Each model is designed to be compact and have a minimal footprint so you can utilise valuable rooftop real estate for solar panels and other needs. CleanAir ensures circulating air is fresh and clean thanks to the built-in air purification system. The new air distribution box (ADB) gives you complete control over the system, along with remote and full Wi-Fi/Bluetooth connectivity, cooling and heating is only a touch of a button away.

SLEEK DESIGN, GREAT PERFORMANCE

Specifications

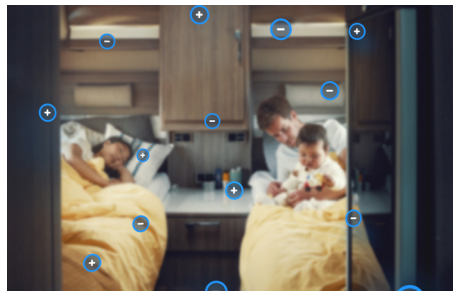

REFRIGERATION TECHNOLOGY	Compressor
REFRIGERANT TYPE	R32
OPERATING TEMPERATURE RANGE	-2 °C to 52 °C
INPUT VOLTAGE (AC, V)	220-240
INSTALLATION OPENING SIZE (mm)	360 x 360 400 x 400

Fresh design, superior cooling and heating performance, optimised airflow, amazingly quiet operation - these are the outstanding features of Dometic's new generation of RV air conditioners. Available in three models depending on your needs all including electronic touch control panel and CleanAir technology.

1. Superior energy efficiency

Reduced power consumption allows a longer run time on batteries and generators

2. CleanAir technology

Keeps your RV smelling fresh and clean thanks to the inbuilt air purification system

3. Premium air distribution box (ADB) with full connectivity

Air distribution box with touch control panel and remote, integrated ambient LED light and Wifi/Bluetooth connectivity (sold separately)

4. Next generation of Dometic inverter technology

The quietest and smoothest operation ever, perfect for off-grid adventures

5. Modern and fresh design

Aerodynamically shaped rooftop unit

6. Lightweight and compact

Ideal for optimised rooftop layout with solar panels and other devices
